Well the last four years have gone as quickly as they came, I hopefully will move on to bigger and better things. Hey,Eric we did have some good games of hockey. I'm sure they would have been better if Jim had shown up some of the time. Not yet,huh,Jay. Maybe AFTER graduation. Well I'll see everyone in 1996,maybe. Oh yeah isn't Connecticut a great state.

"Memory's Friend"

Four years, or less
Was all it took
To bring you dear to heart.
But time has come
And time will pass
When we'll be far apart
Distance will be between us
And we'll seem so far away
But friendship's bond will keep us close,
And close we'll always stay.
So think of me from time to time,
And smile on memories friend
For memories will keep us close
Until we meet again.

As I sit in class at the end of
our days,
I see how everyone has started
on their own ways.

A tear drops down my face,
filled with memories of this place.

How I hate to say good-bye,
I won't forget you even when I die.

But I'll keep the memories of you
to fill my head,
And all the words that we have said.

I won't forget you when I'm blue,
I'll just remember the people I once knew.

So let's not say good-bye since we're
on our own way,
Let's just say we'll meet again
some other day!

Good luck to all!

Leaving

Two more days of school left
How happy am I?
I'm not happy at all
I think I'm going to cry.

Two more weeks until graduation
My how time flies,
I've had some good times and
some bad
You, my friends, I'll always prize.

You've been there for me
Through thick and thin,
I can't believe I'm leaving you
It feels like such a sin.

But unfortunately I must leave
"Parting is such sweet sorrow,"
I hope you always remember me
Don't forget about me tomorrow.

I'll be back again real soon
To visit, to laugh, to cry,
But for now, with these words said
I must be saying goodbye.

THROUGH THE LOOKING GLASS . . .

Senior Officers

The officers worked hard to find an alternative to the traditional class trip. They contacted Tour Boat agencies regarding cruises, and considered attending a Major League ball game. Due to the expense and the conflict with Prom expenses, these ideas never came to fruition and the class trip was eliminated.

There was a desire for a more noticeable, lasting class gift. The decision was made to present an outdoor clock over the gym. Seniors scraped and painted the peak over the gym before the installation of the clock by Anderson Electric. It is a gift that will be remembered every day of the year.

The officers were helpful in assisting with the measurement of caps and gowns. All graduation preparation went smoothly because of the fine leadership of these officers.

From left Mize Rizzo - Treasurer, Miss Barr - advisor, Ally McDonald - Secretary, Mr. Brown - advisor, Christina Terio - Vice President (missing from picture: Ryan Eldridge - President).

Junior Officers

The 1990-91 Junior Class Officers made the Prom their focus. Working with the prom committee, they selected black and gold as the colors, "Time to Remember" as the theme, picture frames, red roses as favors and a rose stem invitation. From there Tish, Dawn and Dana selected archways, vines and columns to decorate Demetris and a diligent prom committee worked hard on May 10 to set it all up. A carnation sale for Valentine' s Day, also run by the prom committee, helped with costs and Dana made sure all dues were up to date and the treasury secure for senior year.

From left: Dana Mandel - Treasurer, Mark Wallrapp - President, Mrs. Hampe - advisor, Dawn O'Connell - Secretary, (missing from picture: Tish Malloy - Vice President).

Sophomore Officers

From left: Carrie Wiley - Vice President, Nektaria Gianasmidis - Treasurer, Mr. Demeo - advisor, Sarah Heneghan - Secretary, Jim Rosenthal - President.

This year's sophomore class was led by President Jim Rosenthal, Vice President Carrie Wiley, Treasurer Nektaria Gianasmidis, and Secretary Sarah Heneghan. The sophomore class sponsored the Christmas dance. The officers tried to make their sophomore year a great one and have a happy class with a lot of school spirit.

Freshman Officers

Back row (L to R) Heather Golding, Kerry Reardon, Lisa Barrile Front row: Aaron Thomas (Missing from picture, Mr. Pearson - advisor

The freshman officers had a quiet year. Mostly, they assisted their advisor, Richard Pearson, with their class fundraisers. During the fall they helped organize a gift wrap sale and in the spring beach towels.

Student Council

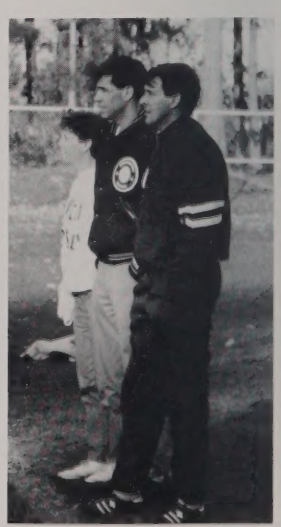
The Student Council organized a variety of activities this year and they came alive again as Mrs. Lisa Pearson continued as Advisor. The group worked very hard under President Patty Lee, Vice President Colleen Barry, Secretary Allison Baker, and Treasurer Amy Tripp.

Some of the projects they undertook were the "Back to School" dance, the Haunted House, the Homecoming Dance, a collection for Globe Santa with the "Pictures with Santa and his Elves", the blood mobile, a spring dance, the Spring Fling Field day, and a variety of theme days.

Once again it was a successful year for the Student Council and will continue to be this way as long as the students want it to be.

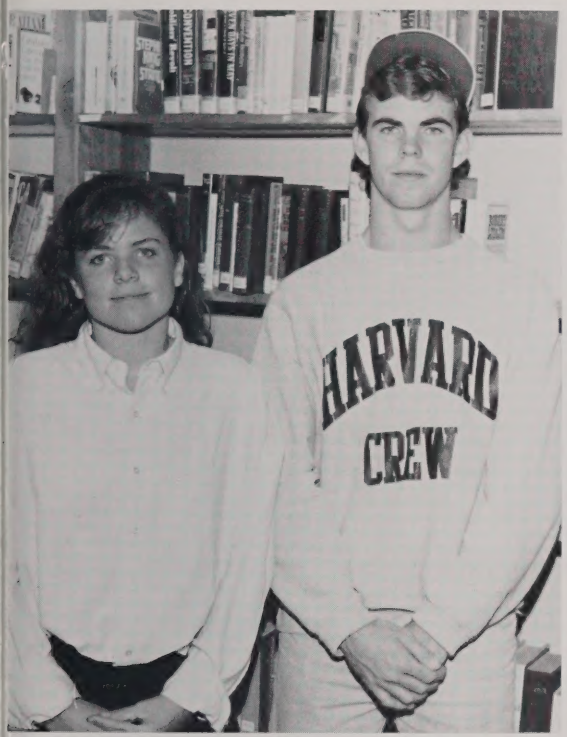
Gypsy and flower were only some of the costumes students wore on Halloween.

Students dance at the Student Council sponsored Homecoming Dance.



Mrs. Pearson, Mr. Demeo and Mr. Grant watch the Powder Puff football game.

Greater Boston Student Advisory Council



Ally McDonald and Matt Mannering

Ally McDonald and Matt Mannering were the two delegates from Walpole High to the Greater Boston Student Advisory Council. Monthly meetings were held with delegates from other schools throughout the region. Student's rights, school handbooks, the curriculum, and state laws were discussed at the meetings. There were also mini seminars on AIDS, racism, drugs, and teen pregnancy. The council discussed these matters and then reported to the state council which dealt directly with the school committee.

Student Advisory to the School Committee

(L - R) Kim Maloney, Dona LaChance, Karen Thomas

The members of the Student Advisory Council are required to attend meetings of the Walpole School Committee. The SAC members are also asked to participate in these school committee discussions. This gives the students an opportunity to become more involved in the educational system and also allows the committee to hear the opinions and ideas of the student body.

YEARBOOK

Under the direction of Mrs. Powers, chief editor Lauren Buckland and her staff worked diligently throughout the year to make this yearbook one of the best in Walpole High School's history. The staff voted for "Through the Looking Glass" as their theme and did an excellent job portraying it throughout the book. Assistant editors to Lauren include Allison Baker, Tom Becker, Jen Brown, Jenn Costello, Denise Foster, Carol Griffin, Amy Hurley, Kathy McGovern, Beth O'Leary, Melissa Schiffer, Tina Staley, and Clare "Maddog" Sullivan.

From the top (L - R) Tom Becker, Melissa Schiffer, Jen Costello, Julie Prebble, Sarah Karaian, Christine Winslow, Melissa Moran, Nicole Izzo, Carol Griffin, Clare Sullivan, Adrian Prosser, Patty Lee, Allison Baker, Beth O'Leary, Amy Hurley, Denise Foster, Debbie Walsh, Jen Brown, Julie Smith, Gillian Proctor, Alisa Sabatini, Marni Thornton, Colleen Barry, Christina Terio, Lauren Buckland, Hannah Gilmore, Ally McDonald, Mrs. Powers, Kathy McGovern.

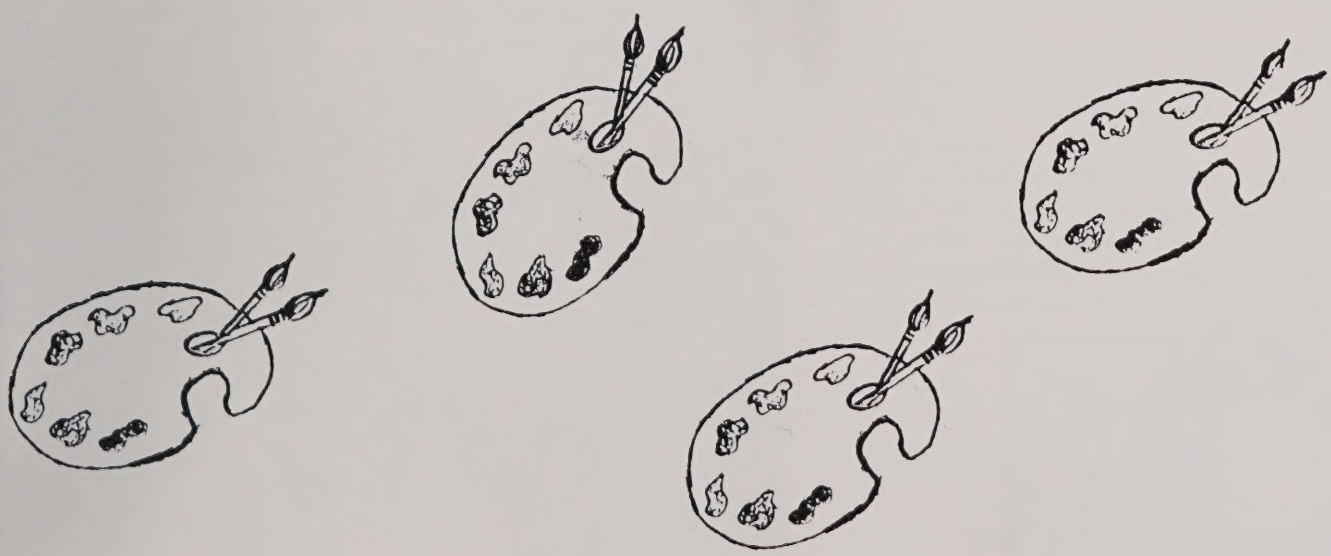
This is the third year the Art Club has been in existence at Walpole High School. Advisor Mrs. Diana Hampe has organized many fun filled activities for the group. Among these events were Tie Dye Day, fabric painting meetings and a trip to Newport, RI to see the Breakers mansion. The Art Club is for art students who want to do more than classroom assignments and for students who don't have the time to take an art class but would like to participate in Walpole's art program. Art Club members have contributed to the community in many ways. This year, students from the art club were asked to decorate the Verderber Real Estate storefront for the holiday season. Members also paint the sets for the high school drama club. This year Art Club members received over twenty awards in the Scholastic Art Awards contest. Members also were accepted for a life drawing course at Boston University, the honors program at the museum school and Art All-State.

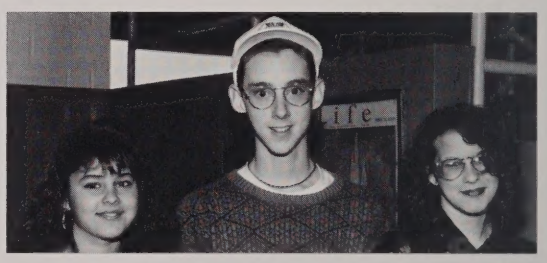


JOURNALISM

The journalism class works together all the time to assemble newspapers for the schools of Walpole. The three main editors are: Miriam Carroll — Chief Editor, Erik Herman — Assistant Editor, and Mike Duffy — News Editor. The journalism class has put together four Rebellions (the highschool newspaper) and also attended a computer seminar to learn how to format their own articles. The group's main purpose is to inform the town of Walpole of the High Schools happenings. Their future plans include putting out one more Rebellion by the end of the year. The group feels that the most interesting part of the class is going through the process of publishing a paper, from finding an assignment to laying it out.

From top (L - R): Noel Spada, Molly Anderson, Kathleen O'Neil, Christine Lundberg, Missy Moran, Colleen Glynn, Mike Kivi, Rob Sampson, Sally Manning, Kathy Pepin, Dave Barron, Erik Herman, Mim Carroll, Kara Farrell, Chris Twiss, Dan Tobin, John Allen, Nektaria Gianasmidis, Kristen Ricciardelli, Amy Tull, Mike Duffy, Emily Kelly, Teri Ackerman.

Educator's Exchange Editors: Emily Kelly and Teri Ackerman.



Rebel Runt Editors (L - R): Amy Tull, Brian Moore, Mary Staubitz.

LABYRINTH

Walpole High School's creative writing magazine, the *Labyrinth*, completed its 21st year in publication under editor Hannah Gilmore. In an effort to expose the hidden creative talents many of the students at Walpole High School have, the staff frantically promoted the magazine. Gathering enough poetry, short stories, and art work to fill the 100 pages was a difficult task. But after much hard work the staff had the satisfaction of knowing they published yet another masterpiece.

From top (L - R) Dave Barron, Scott Palleiko, Mary Staubitz, Jen Buckland, Miriam Carroll, Emily Kelly, Jen Ducat, Glenn Bassett, John Allen, Carrie Weatherbee, Hannah Gilmore, Amy Tull, Lauren Buckland.

Rebel News and Views

From top (L - R) Dan Cence, Bob Sinclare, Dan Gamache, Jacob Hedenskog, Craig Grant, Lynn Zographos, Andrea Kay, Julie Preble, Miriam Carroll, Jeremy McLean, Leslie Miller, Laurie Forrest, Mrs. Hudson.

Rebel News and Views, the high school television show, was anchored by Andrea Kay and Laurie Forest. The crew only put on one show this year because their technician got another job. Their goal for the remainder of the year is to get another show on the air. The purpose of the group is to inform the people of Walpole of the High School events. The Rebel News and Views crew likes the laid back, easy going atmosphere that Mrs. Hudson supplies.

Radio Station

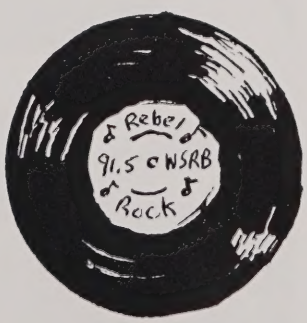
Radio Station Club members broadcast daily from 2 to 5 P.M. on 91.5 FM. Disc jockeys play their favorite format so WSRB broadcasts everything from heavy metal to reggae. Michael Duffy and Mark McCabe were program directors.



Latin Club

The officers of aedile, consuls, quaestor, and scribe are held by Jason Manfredi, Stacey Cassidy, Amy Tripp, Dawn O'Connell, and Blake Palermino. The Latin Club has done many things this year, among them the annual initiation of new freshmen members and the annual Saturnalia party. The main purposes of the club are to get kids together for educational enriching but fun activities and to learn more about classical heritage. The future plans of the group are numerous meetings, party on Caesar's death day (March 15), treasure hunt, volleyball game, and the Roman Banquet. The highlights of the year was the past summer trip to Rome and the annual Roman Banquet.

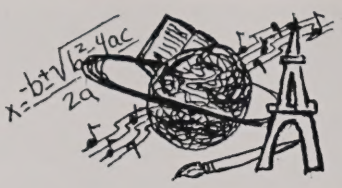
Spanish Club

This year's Spanish Club has had a busy year. They have gone to "Las Brisas", a restaurant in Boston and done various fundraisers including selling international cookbooks, Christmas items and refreshments during the musical. However, their biggest project, the trip to Spain, was canceled because of Operation Desert Storm. The purpose of the Spanish Club is to expose the students to Spanish culture such as cuisine and exchange students. The highlight of the club would have been the trip to Spain but everyone enjoyed the trip to Boston because the meal was delicious and they were even serenaded.

French Club

The French Club was not very active this year, but they did meet many times. The purpose of the French club this year was to expose high school students to the French culture and experience.

Academic Decathalon



For the sixth year in a row, the Academic Decathlon Team qualified for the State Finals. Walpole placed sixteenth in the qualifying round out of fifty-three schools. Walpole then moved on to compete in the State Finals at Waltham High School, where the team came in eleventh. Junior John Robinson was the only medal winner with a silver medal in history. Matt Reardon and Emily Kelly received the coach's medal for their constant achievement throughout competition. This year the Decathalists received jackets courtesy of Dr. Burgess.

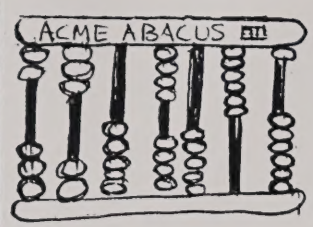
Spotlight

This spring Spotlight Program was designed to build student awareness of cultural, economic, and educational develoments and differences in Barcelona, Spain. During March and April, the Spotlight participants took part in artistic, and recreational experiences related to Barcelona. The session focused on Spain and how the European community in 1992 will effect the culture, politics and economic of Spain.

From Top (L - R): Kim Devito, Nektaria Gianasmidis, Laura Toran, Paul Hogan, Joel Jaffee, Chris Quinn, Tony Staley, Chris Callanan, Jay Covert, Arian Stornanti, Diane Kahler, Jay O'Neil, David Peters, Magnum Vassell, Mr. Coviello.

Math Team



The math team this year was advised by Mrs. Pearson, Mrs. Forrester, and Mrs. Lind. The team competed against other area schools like Sharon and Stoughton. The members of the team all worked hard and improved not only last year's record but their math skills as well.

From the top (L - R) John Allen, Peter Valle, Tony Staley, Kim DeVito, Kevin Dolan, Jen O'Neil, Amy Frisbee, Mike Reardon, Beth O'Leary, Jen Perchard, Christine Cronin, Kim Peterson, Jane Connelley, Jeff Hemman, Adriana Palumbo, Tom Becker, Miriam Carroll, Lauren Buckland, Sue Johnson, Anne Munro, Mike Lee, Scott Wilkas (lounging).

Science Club

The Science Club began its career this year. The members were enthusiastic, devoted, and look forward to building a strong, involved organization. This year we enjoyed having guest lecturers from M.I.T. visit the science classrooms and had the opportunity to visit the nuclear reactor at M.I.T. The last event was a visit to the Norwell Science Center at Norwell where we donned wading boots and insect nets and collected a wonderful variety of specimen.

From the top (L - R) Mrs. Marinelli (advisor), Nektaria Gianasmidis, Tammy Manson, Laura Doe, Paul Hogan, Michelle Silvi, Kristin Marshall, Cheryl MacAuliffe, Micheal Harris, Jay Finnan.

Peer Leaders

The Peer Leaders had a very busy year under the leadership of Mrs. Nashawaty. Peer Leaders were involved in community service events such as acting as chaperons at the Teen Center, hosting the declaration of Being Drug Free at Bird Middle School, and cleaning up the Town Forest. They also hosted an exhibit for the Town Forest Celebration and assisted at the town rally in support of the troops sent to Saudi Arabia. The purpose of Peer Leaders is for young people to educate their peers about the issues of drug and alcohol use. This year the group educated itself first and then participated in an education program at the middle schools. These programs took place in classroom groups and, in some cases, in one on one talks.

From top (L - R) Amy Tull, Melissa Schiffer, Mike Duffy, Scott Palleiko, Kevin Merrikin, Mike Peck, Clare Sullivan, Eric Minkwitz, Dana Mandel, Brian Moore, Melissa Hood, Ellen Gallahue, Amy Hurly, Mrs. Nashawaty, Jen O'Neil, Lisa Polo, Betsy Low, Cheryl Weber, Christina Terio, Beth O'Leary, Jeanette Doty, Kristen Burke, Allison McDonald, Tina Staley, Tracy Bates, Rachel Johnson.

S.A.D.D.

Walpole High School's S.A.D.D. chapter had one of its most successful years in the chapter's history. Under new supervisor, Betty Golding, President Clare Sullivan, Vice President Jane Connelly, Secretary Sarah Karaian, Treasurer Miriam Carroll and a group of forty active members undertook many activities. Bake sales, and T-shirt sales were among fund raising activities. The most exciting and challenging time for S.A.D.D. was the pre-prom week. The week involved many new activities such as face painting, to represent one person every 23 minutes being killed in a drunk driving accident, giant murals and a casket in the cafeteria. Another first for S.A.D.D. this year was the post-prom party it threw at the Foundry restaurant. S.A.D.D. wanted to promote a fun time without the risk of drinking and driving. The party was a success and along with the other activities, S.A.D.D. hopes to make them annual events.

METCO

During the 1990-1991 school year, the METCO (Metropolitan Council for Educational Opportunity) program transported 17 students from their Boston area homes to Walpole High School. Now in its 24th year at Walpole, METCO continues to provide a better educational environment for these students. With the advantages of a multi-cultural curriculum, all students attending Walpole benefit from this program.

National Honor Society

The National Honor Society recognizes students who display scholarship, leadership, service, and character. This year the Walpole High School chapter of the National Honor Society participated in a phone-a-thon to raise money for the American Heart Association. In the future, the National Honor Society would like to set up a tutorial program. Honor Society members would be available during the school day to students who need help.

Drama Club

The Drama Club has had a very successful year so far. They put on a three act play entitled *Our Town* in the fall and *South Pacific*, a musical, which they produced in the winter. The group still has four student written, student directed 1 act plays which will be performed in May. The purpose of this group is to obtain cultural literacy and to expand their knowledge of the theater.

There are many highlights of the past year. Mrs. Hudson decided to let the musical run for three nights because of last year's success. The ticket sales were very successful. The group feels the most exciting aspect of acting is learning your character and then becoming that character while on stage to make a show believable.

BAND

The Walpole High School band had an exciting year. The marching band performed at home football games and at the Superbowl. The highlight of the marching band season was a performance at the Coast Guard Windjammers Invitational at the United States Coast Guard Academy.

The concert band performed winter concerts in December and January, and spring concerts in April and May. The May concert, Pops Nite, is the most entertaining of the year. The Jazz Ensemble played at the concert in January, at Jazz Night in March, and in the two spring concerts.

The 1991 band was led by the following officers: President - Carol Griffin; Vice President - Rich Croft; Secretary - Dan Tobin; Treasurer - Adam Foley; and Drum Majors - Susan Johnson and Matt Reardon.

The band looks forward to a trip in 1992. The instructors feel that the band is ready for concert and jazz band competitions. They look forward to presenting more exciting and challenging music as the ability of the group improves.

Orchestra

Jen Prasse arranges her music before the concert.

The orchestra had an enjoyable year. They were led by Concert Master Tony Fernandes and Assistant Concert Master Jennifer Prasse. The orchestra performed at the winter concert in December. In their April concert they performed selections featuring music from *Elijah* with soloists from the orchestra and chorus. The orchestra also performed at Pops Nite, an evening which features the whole music department.

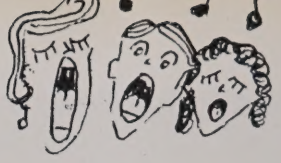
Chorus



The Walpole High School chorus had a productive year. The 1991 chorus was led by President - Melissa Schiffer; Vice President Amy Tull; Treasurer - Tarsha Thomas; and Secretary - Andrea Kay. The highlight of the year was the combined chorus and orchestra performance at the spring concert. They presented six selections of Mendelssohn's *Elijah*. Miss Becker plans to continue to increase the level of difficulty in repertoire, while performing concerts for the school and community.

FIELD DAY

On May 14, 1991 all of Walpole High School got out of class to enjoy the outdoors. This was the 3rd annual Field day, sponsored by the student council. Although it drizzled that day, the dreary weather didn't dampen anyone's spirits. Many activities were provided for the student body. Among these were old favorites like frisbee, volleyball and a student-teacher softball game, as well as new activities such as sidewalk painting. Hamburgers and hotdogs were provided for starving students, along with fried dough, snacks, make your own sundaes, and even real soda. Music was provided by "Altered State". A good time was had by all.

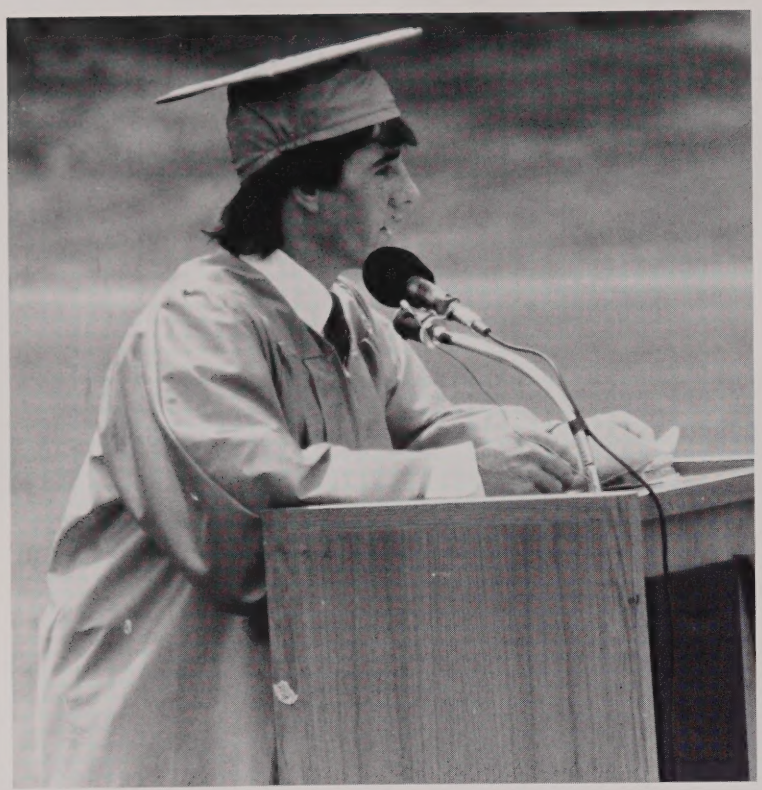
GRADUATION: THE CLASS OF 1991



Ryan Eldridge

We must realize that success in life must mean more than just fame and material wealth . . . it must mean a life well spent.

And most importantly, it is for us, our generation, to pass these values on to our children by our good example . . . to become loving mothers and fathers and even if our names never become household words and even if we never live in a mansion, what profession is any more noble than that of a good parent? What feat or accomplishment can be any more worthy?

As we the graduates of 1991 come before you today, saddened by the prospect of leaving, but very excited about what lies ahead, I urge each and every one of my classmates and friends to go for it . . . become the person you were meant to be. Let's vow today, that when we meet at our 25th reunion, that we'll all be able to say that yes, I am living the life I chose, that I am fulfilled and that I have few regrets. Let's not be timid or afraid to try . . . let's take that Walpole spirit with us and never give up.

Our years at Walpole High School have been happy years and we did enjoy a feeling of security. And to all of you here today: our parents, teachers, counselors, coaches, relatives and friends, the credit is yours, for it was you who gave us the love and guidance that created such an environment for us.

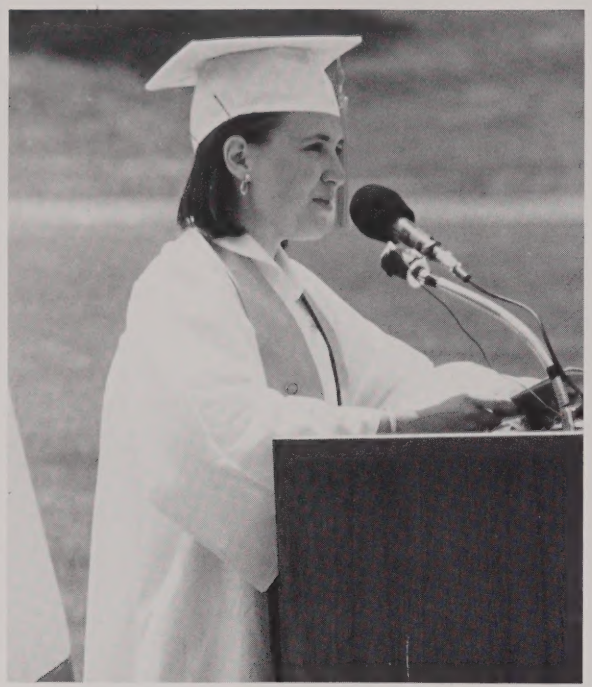
"Time . . . Time is the consumer of all things. It's not the goodbyes that prolong . . . It's the partings."

VALEDICTORIAN: MIRIAM CARROLL



"To us as students, today has long been perceived as graduation: the end. This outlook began when we were freshmen and continued for the following four years. We saw today as the end of high school, the end of foolish papers, and juvenile fights, nagging teachers and overprotective parents, the end of adolescence. And in the past few weeks we have also seen today as a goodbye. Goodbye to the good times we have had, the friends we shared them with, goodbye to our classmates . . . our family . . . our security . . . our childhood.

But tomorrow, as graduates, or in a few weeks as collegians or workers, or perhaps not until we are parents ourselves, today will be seen as commencement: a beginning. It will be the beginning of our lives. The beginning of new problems, and conflicts, and heart aches, but also the beginning of new good times, new solutions and independence. Today will be seen as a hello to new friends and new places, new experience and new disease.

It is all in the perception.
It is the paradox of life . . .
Every dusk finds that dawn will follow
Every goodbye finds a new hello
Every exit leads to someplace in
And in every end, something new begins."

SALUTATORIAN: ELIZABETH O'LEARY

"When we started high school four years ago, it was a whole new beginning for us. We were no longer the oldest kids in school as we were in middle school, but we were now the youngest and the smallest. We had to work to establish our identities, not only as individuals but also as a class. Over the years we did much growing and developing to become what we are today. We received recognition for our successes, whether as students, athletes, musicians, or actors. As a class, we became known as sometimes rambunctious, but overall as good people. We are the Class of 1991, ready to end our high school years and embark on a new beginning."

"Memory's Friend"

Four years, or less
Was all it took
To bring you dear to heart
But time has come
And time will pass
When we'll be far apart.
Distance will be between us
And we'll seem so far away
But friendship's bond will keep us close
And close we'll always stay.
So think of me from time to time,
And smile on memory's friend
For memories will keep us close
Until we meet again.

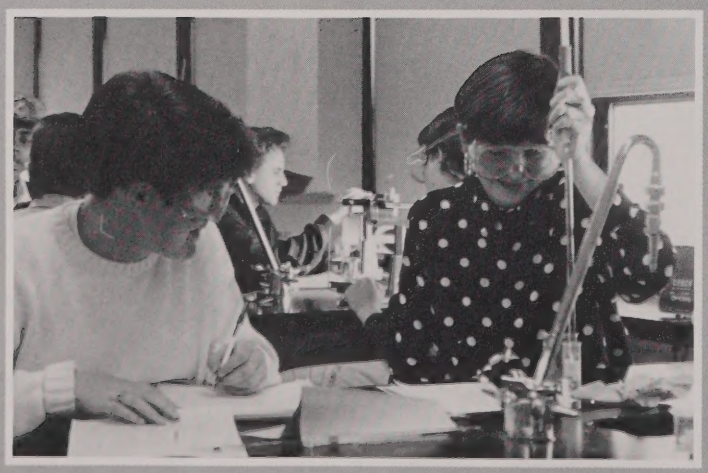
-Miriam A. Carroll

Dedication

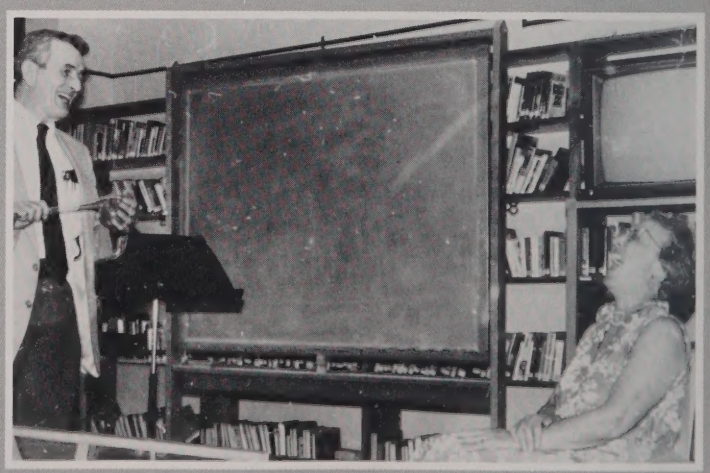
Mrs. Powers shows the reaction between sodium and water at the blackboard.

Of all the people we could have chosen for the dedication, Pauline Powers, chemistry teacher and yearbook advisor, is probably the most appropriate. Mrs. Powers has been explaining the periodic table, anions, cations and redox reactions to students at Walpole High School for twenty years. For the past two years she has been working with graduating seniors to help them compile four years of memories into one two hundred page book — not an easy task, to say the least. (Also making it next to impossible to secretly dedicate the yearbook to her.)

Now, after twenty years of dedicated teaching, Mrs. Powers has decided to retire. Faculty and students alike will be sad to see her leave Walpole High. We hope that this small collection of her Walpole High School memories will serve to remind her of how well she is liked as a teacher and as a friend. Thank you, Mrs. Powers.



Clare Sullivan looks on as Hannah Gilmore attempts to make gold using common household ingredients.



Mr. Sullivan and Mrs. Powers share a laugh in the lower media.

Volleyball

Ally makes it look easy

The 1990 girls' volleyball team had a very successful year ending up with a season record of 14-4 and the Bay State League title. This record allowed the team to enter into the state tournament.

This year's team, coached by Peter Turco, was led by captains Ally Leonard and Kerry Jackson. Other seniors included Lisa Vitiello, Miriam Carroll, Maureen Wholey, and Adrianna Palumbo. Special

Fight, Score, Soar!

congratulations to Ally Leonard who made Bay State League All-Star first team and to Kerry Jackson who made Bay State League All-Star second team.

The highlight of this year was the defeat of Natick. This was a first in the history of Walpole High School volleyball. It was a very close game that ended in a 16-14 Rebel victory.

In the first round of tournament action, Walpole defeated Algonquin but in the second match was unfortunately defeated by Wellesly.

Coach Turco noted that the success of this team lay in their enthusiasm. Mr. Turco said "This year has been great" and he is hoping for another successful year in 1991.

David Giesecke and Sean McMormack were the 1990 captains of the soccer team. Under Coach Delaney, the boys finished with a 4-10-2 record. The team members felt they played better as a team than their record showed.

All the games were key games; many were close and could have been wins. Despite the record, the morale for the games

against Natick, Wellesley, Framingham South and Milton were high. David Giesecke said "We had the ability to beat the teams we were not expected to beat. Next year the team has the potential to be a threat." Sean McCormack was the most experienced and talented player. He had the ability to play defense and also slide up and help at the halfback spot. GIRLS' SWIM

Amy Richard takes off from the blocks.

Seniors Beth O'Leary, Jodie Feeney, and Andrea Lacana

The girls' Swim Team ended its season with a 4-7 record, an improvement over last year's record, due greatly to the large number of freshmen and sophomores who joined the team. The team was captained by seniors Beth O'Leary and Jodie Feeney, and junior Linda Parlon.

Several swimmers competed in the sectional and state championships this year — Sarah McLean swam the 200 individual medley, the 100 butterfly, and the 400 freestyle and the 200 medley relays; Stacey Panagatopulos swam the 100 backstroke, the 500 freestyle, and the 400 freestyle

and the 200 medley relays; Amy Richard swam the 100 breaststroke, the 200 individual medley, and the 400 freestyle and the 200 medley relays; Linda Parlon, Beth O'Leary, Carrie Larsen and Lynne Giesecke swam the 200 freestyle relay, with Giesecke also swimming in the 400 freestyle relay, and Kate Marechal in the 200 medley. In addition, Shaw Hubbard and Kelley Brintnall competed in the 1 meter diving.

New records were set in almost every event, due mostly to freshmen McLean and Panagatopulos. Also, all of the above mentioned relay teams set new records.

While their record did not necessarily show it, this was a team that showed great improvement and will continue to do so in the years to come.

Football

Another Undefeated Season Another Superbowl

The 1990 Rebel Football team continued its winning ways as it went 10-0 in the regular season. It steam rolled over all Bay State League opponents enroute to the Eastern Mass. Superbowl for the second straight year. This year, however, their 23 game winning streak was snapped when the Winchester Sachems defeated the Rebels 23-16 at Sullivan Stadium. Led by 1000 yard rusher Ryan Eldridge, and a strong defense that posted four shutouts, the Rebels clearly dominated every opponent.

Seniors Matt "Bubba" Cox and Matt Wassel were named Boston Globe All Scholastics. The Patriot Ledger named Cox, Wassel, linebacker Dave Godino and quarterback Matt Mannering to their All Scholastic Squad. Cox and Mannering were also named Boston Herald All Scholastics. Cox, Wassel, Godino and tackle Mike Kivi earned league honors as well. Kivi, Godino, Cox, Wassel, Dave Macone and Ryan Eldridge were honored by the Daily Transcript.

The Rebels hard work and dedication on and off-season were the driving forces behind their success. The turning point of the season for the Rebs was when the Natick Redmen came to town. Natick was ranked first in division 2 and Walpole was rated second. On rain-soaked Turco Field the Rebels prevailed in a hard fought contest, 6-0. The big scoring drive took place with two minutes left in the game. The rebel offense drove 68 yards (48 in the air) before Ryan Eldridge scampered over the right side of the line, into the end zone. The Rebels' back to back undefeated regular seasons are the first in Coach John Lee's 23 year campaign as the Rebel General.

The Girls' Soccer team had one of its best seasons ever with a record of 12-5-3. The captains were Amy Hurley, Bonni Rowe, and Christina Terio. Bay State League All-Stars were Ally McDonald, Amy Hurley, Colleen Barry, & Bonnie Rowe.

According to Coach Thompkins: "The team was very aggressive, hard working and determined. They won many more games than they lost because of their team work and excellent conditioning." The team's success was partially due

to their peaking at the right time during the season.

The year's highlights were the 1-0 victory over Needham early in the year that developed great team self-confidence, the 1-0 victory over Wellesley that qualified the team for the state tournament, the two wins in the state tournament and the overall excellent play of the team in the tournament.

Defense was the strength of the team led by Amy Hurley who had a record breaking 12 shut-outs for the year. The fullbacks were led by Bonnie Rowe and the offense by leading scorers Ally McDonald and Christina Terio.

Season 11-1

The 1991 Cross Country team successfully defended the Bay State League title for the third year in a row. The team record was 10-1, winning the Herget Division. The captains for the season were Scott Wilkas and Kevin Collins.

Some high points of the season were knocking off undefeated Brockton and beating league rivals Norwood and Needham. Returning to the Kinney Invitational in New York City and All-Stars for the "90" season were junior Jack Dwyer and senior Scott Wilkas. The Rebel Runners were shocked when Newton North, new on the scene, upset the Rebels by one point on Walpole's home course.

Bay State League Title Three in a row.

Junior, Jack Dwyer, was the leading Rebel Runner, winning every regular season race and being a league all-star 2 years in a row. He made everyone on the team run hard. He was a great role model.

Head Coach Jim Erker was proud of the way his team ran this year and even more proud of how some of his seniors improved over the year. Seniors who were part of the Rebels League Title were Kevin Collins, Scott Wilkas, Mark Bevevino, Al Goetz, Billy Langmead, Mike Healy, and Andy Healy.

Jack Dwyer was Patriot Ledger All Scholastic and Scott Wilkas and Al Goetz joined Jack as Daily Transcript All-Stars.

CHEERING

The Walpole High School football cheerleaders, led by captains: Danielle Desprez, Sally Manning, and Suzanne Upton, had a fun and successful season. They placed third at the Shrewsbury Competition and came in sixth at the Bay State League Competition.

"I am so proud of everyone and all the accomplishments they've made." Coach Judy Pepin said, "We have overcome some hard obstacles, (being basically a brand new team and Sally's injury so late in the season)."

"Is everyone out there ready?"

One of the biggest highlights was cheering at Foxboro Stadium for the Division II Superbowl. "The fact that the Rebels made it there was all that really mattered" Senior captain Sally Manmning said.

The 1991 graduating seniors are sad that it's time for them to leave and say goodbye but they all know that cheering for Walpole High will be one of their strongest memories.

The graduating seniors are: Jen Brennan, Danielle Desprez, Sally Manning, Melissa Moran, Karen Parrino, Adrienne Prosser, Julie Smith, and Suzanne Upton.

The 1990-1991 varsity basketball cheerleaders led by senior captain Jen Brennan, had a very good season. They competed in three competitions, the most a squad at WHS has ever competed in. The competitions were held at David Prouty High School in Spencer, MA, where they won the "Most Congeniality" award, Bay State League Competition held at Natick High School, and St. John Paul's High School Competition in Everett.

"You say that I'm crazy!"

Coach Judy Pepin was proud of the girls accomplishments. "The squad was made up of a lot of freshmen, so I was hesitant at first at what the girls could do, but they worked hard and came a long way. I am very proud!"

The 1990-1991 members of the Rebels Basketball Cheerleading squad are: Jen Brennan, Melissa Moran, Julie Smith, Tricia Rogers, Andrea Sinclaire, Michelle Silvi, Kerri Murphy, Alison Saulnier, Jessica Moran, Kerri Reardon, Jaime Rea, and Erin Cronin.

The 4-3 sudden death victory over Westboro to gain the Division I State Championship title made this a year the 1990 Porkers will always remember.

The team, led by Captains Jen Brown and Katie Collins, went 15-1 during the regular season, clinching the Bay State League title and first seed in the South Sectional Tournament. After defeating Dartmouth in the quarter-finals and Dennis-Yarmouth in the semifinals, the Porkers grabbed the Sectional title in an exciting 1-0 game against Bishop Stang. With this under their kilts, the Porkers went on to defeat Bishop Fenwick for the Eastern Massachusetts Division I Title. There was nowhere to go but up from here! The girls were now off to Worcester Polytechnical Institute to play for the Division I State Championship Title against Western Mass Champs, Westboro. For the first time all season, the Porkers had to come from behind to win. With 30 second left in overtime Kate Collins scored the game winning goal to help win Walpole's first Championship title since 1984.

What made this year's team such a success? "Team unity!" said Coach

Porkers - 1990 State Champs

Penny Calf. "This year they worked together as a whole. Off the field there are three different groups, but you can't tell on the field. They were aggressive and played well together."

This year's team, comprised mostly of seniors, was given credit where credit was due for exceptional playing. They received the following honors: Jen Brown, Katie Collins, Debbie Walsh and Erin Platukis were Bay State League All-Stars and Patriot Ledger All-Scholastics: Penny Calf, Boston Globe Coach of the Year; Katie Collins and Erin Platukis, Herald All-Scholastics: Katie Collins, Erin Platukis, Clare Sullivan, Mary O'Connor, Jen Brown and Debbie Walsh, Daily Transcript All-Stars; and Katie Collins, Penn Mento H.S. All American.

A performance that should not go unrecognized was Mary O'Connor's brilliant goaltending. Allowing only two goals during the regular season and six during tournament play, Mary was a vital part of the team's success.

At the beginning of the season, Jen Brown said. "This will be a winning senior year. We are going to go all the way." Jen was right!

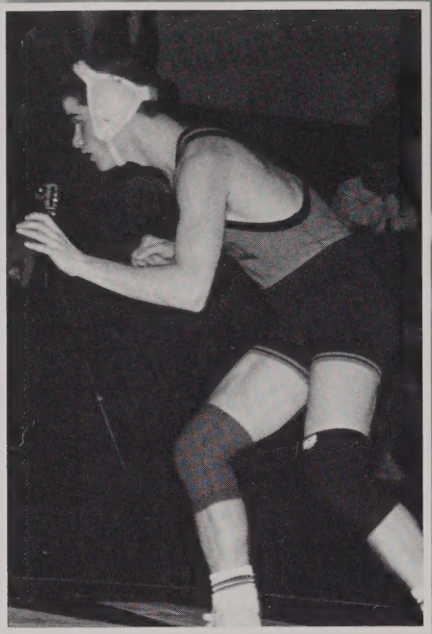
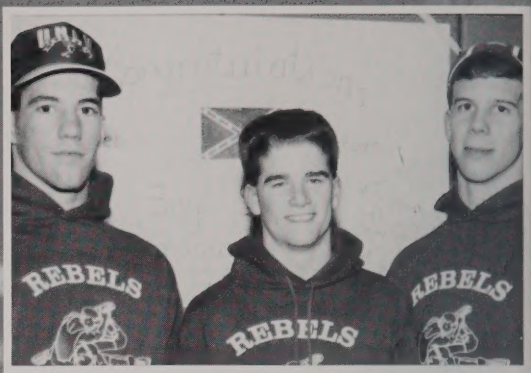
WRESTLING



Andy Healy prepares for a match.



Tri Captains Matt Wassel, Mike Healy, John McInerney.

This year's Walpole High Wrestling team captained by Mike Healy, John McInerny, and Matt Wassel, was the first one in twenty years to win the Bay State League Title and the first Walpole team ever to have an undefeated league season with a record of 11-0 and a total season record of 18-2-0.

The dual season went rather smoothly for the rebels with only two close matches against Framingham North and Wellesley. The win in both cases came down to either the 189 or heavyweight class making both of the matches extremely exciting to watch.

Throughout the season there was a total of six different tour-

Outstanding season of new records

naments in which the grapplers competed. It started with the Milford Tournament where only two of the Rebels placed, Mike Healy grabbing third place and Matt Wassel clinching first. Next came the Marshfield Holiday Tournament where seven of the wrestlers took honors. Mark Driscoll, Dan Gamache, and John McInerny came in sixth place, Kevin Gass fourth, Mike Healy third, and Matt Wassel was once again the champion in his weight class. In the North Attleboro tournament the Rebels' three first place honors were captured by Mike Healy, John McInerny, and Matt Wassel. Also placing for the Rebels were Kevin Gass at fourth and Doug Cook at second.

Next the Rebels made their way to the Division II Sectionals, where Mike Healy came in third, and John McInerny and Matt Wassel won first place honors. Then to the States where John McInerny and Matt Wassel both came in second, and after that to the Division II New England Championship where Matt Wassel clinched second place.

There were two Boston Globe All-Scholastic second Team All-Stars, John McInerny and Matt Wassel. Another very special lifetime achievement award was given to the four time outstanding wrestler for the Rebels, Matt Wassel, for his career record of over a hundred wins. He was the only wrestler ever at Walpole High to achieve such an honor.

annual Rodman Rebel Roundup tournament which they needed to qualify for the tournament. Ryan Eldridge and Brian Chase accepted tournament All-Stars, while Matt Cox won the MVP for the Tournament. Collins returned half way through the year only to become a league All-Star with Matt Cox. Coach Don Byron was very pleased to qualify for the tournament for the 2nd time in 3 years as head coach of the Rebels. Although the Rebels had higher hopes for the season, they were still happy with the way the season went.

The 1990-1991 Rebel Ice Hockey Team had a very successful season along with many ups and downs. The Rebel Icemen finished up with a fine record of 13 wins, 6 losses and 1 tie. The team was very close and worked together for each win.

The season began with a tough loss against an experienced Weymouth club who scored in the last second to win. From that point on however, the Rebels went 6-1 in their next seven games and

qualified for the state tournament with a win on the last game of the season against Boston Latin. The Rebels had no superstars, and everyone worked together and kept focus, largely because of the great work of captain Mike Bailey. The season ended on a tough night at Boston University's Brown Arena as the Rebels lost in over-time after being ahead for most of the game.

Brian Touhey was chosen as a first team all-star, while Mike Bailey, Paul Poirier, Brian Crowell, and Jayson Petroni were selected as playing all-stars. Overall, it was another great season as coaches Jim Nixon, Lee Delaney, and especially Ed Kirrane did great jobs behind the bench. Also, Chuck Grant did a fine job coaching the goal tenders when he could make it to practices. Remember, there is only one way to make chicken salad.

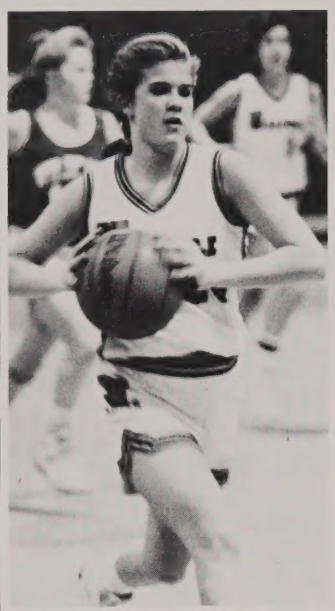
GIRLS' BASKETBALL



Co-Captain Ally looks to complete another great pass.

The 90-91 Girls' Basketball team entered the season with the shortest team in the history of girl's basketball at Walpole, no starter over 5'7" but they finished the season 10-6 in the Bay State League, second in the Herget Division, 14-9 over all.

The team was led by its four seniors — Colleen Barry, CoCaptain Amy Hurley, CoCaptain Ally Leonard, and Debbie Walsh.

Strong showing in tourney

The team's tough man to man defense was evident in an early season victory over Milton, 48-46. The team improved steadily throughout the season. They became more proficient and balanced on offense which was evident in victories over Norwood, 42-36, Braintree, 54-46, and Arch Bishop Williams in the Girl's Hoop Classic 51-36. The Rebels also had a very strong showing in the tournament with victories over Nauset, and previously undefeated Somerset, 54-48, before falling to Apponequet.

Hurley, Patty Lee, Laurie McDonough, Lynn Giesecke, and Kathleen Woodson. Kathleen Woodson advanced to the All-State meet and finished 12th overall in the mile run.

The team ended their season with a cookout at the Giesecke's. The awards given at the event were Outstanding Freshman to Laurie McDonough, Most Improved to Lynn Giesecke, Coaches award to Amy Hurley, Outstanding Performer to Kathleen Woodson, and Most Valuable Performer to Patty Lee. We should remember this season as one of growth and accomplishments.

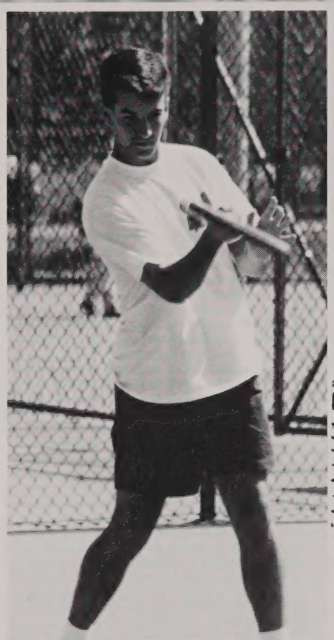
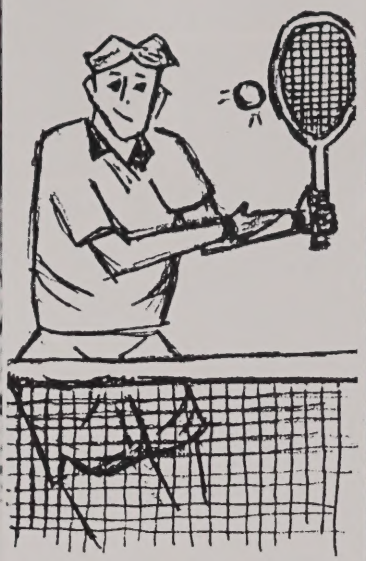
BOYS' TENNIS





Sean McCormack's baseline slice.

The 1991 Boys' Tennis team turned out with a 9-9 season, finishing better than predicted by league coaches. They pulled a couple of big upsets in the first half of the year to keep them in a solid second place in the Herget Division by beating Needham and Framingham South.

Third place finish

The second time against South in the last match of the year, the team needed to beat them to qualify for the tournament, but came up just short. The tennis team is only losing one senior, Captain Sean McCormack, this year and is looking strong for next year. The first doubles team of Sean and Jeremy McNutt advanced to the semifinals of the State Doubles Championship and had an outstanding season ending with a 14-4 record. Sean McCormack was presented with the Coach's Award.

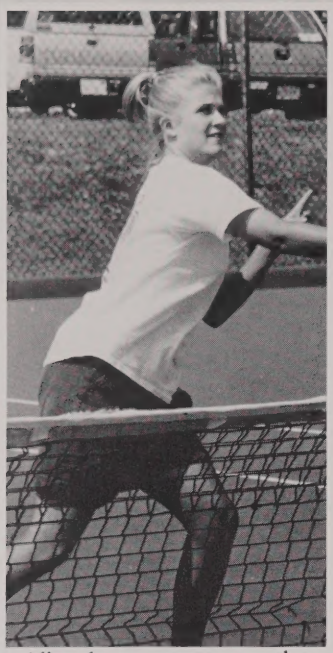
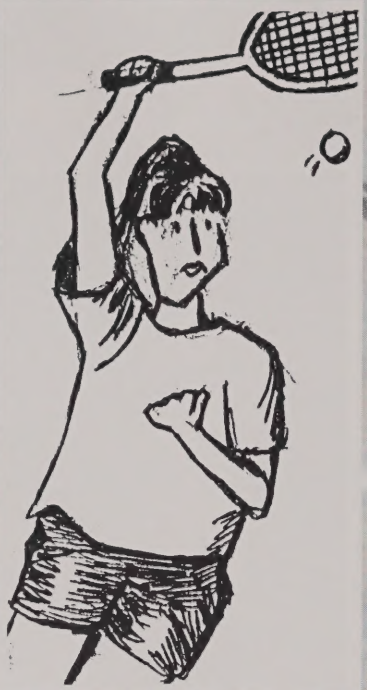
GIRLS' TENNIS





Ally drops one over the net.

Seniors Ally McDonald, Colleen Barry, Coach Lisa Cropper, Ally Leonard, and Debbie Walsh.

The girls' varsity and junior varsity tennis teams had an outstanding year in 1991. The varsity record was 17-1 with big wins over Framingham South, Wellesley, and Natick to win the Herget Division Championship of the Bay State Conference. The JV team went undefeated at 18-0 with the highlight being the outstanding play of the first doubles team Nicole Woodson and Kim Moloney. Varsity Tri Captains — Ally McDonald, Ally Leonard, and Debbie Walsh were named Bay State Conference first team All Stars, along with Jr. Kristen Olmstead. Also the first doubles pair of Debbie Walsh

Best season ever — State Champs

and Kristen Olmstead went undefeated for the second year in a row.

The varsity qualified for the state tournament, and was seeded first in the Division Two South Sectional. The team proceeded to knock off their first two opponents at home by scores of 4-0 over Cohasset and 4-1 over Bishop Connolly. The team then traveled to Medfield where they beat Dover-Sherborn 3-2 in a tough match. Freshman Kelly Norton pulled out an exciting three set victory in the deciding match. Next, it was off to Hingham H.S. to play Nauset for the South Sectional title. Walpole won 5-0, winning all their matches in straight sets and becoming the first Walpole girls tennis team to win the South Sectional title. The team then went on to win the Eastern Massachusetts Championship by defeating Lynfield 3-2.

The team ended the season with a stunning victory to capture the title of State Champs.

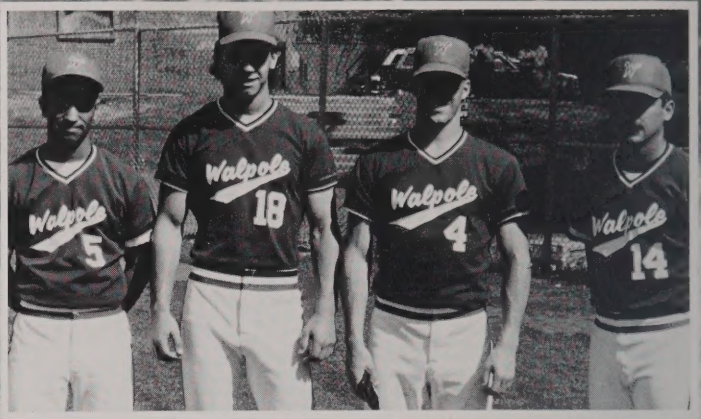
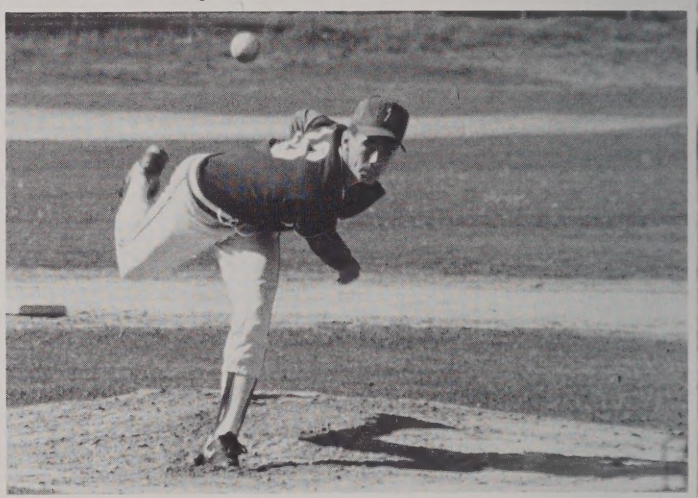
BASEBALL

Matt Wassel begins to take a big cut.



Captains Tony Fernandes, Mark DePasquale, Matt Wassel, and Coach Tompkins.

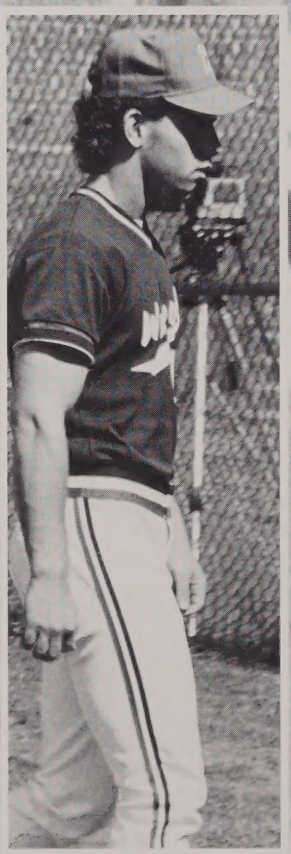


Jeff Taglienti fires another fastball for a strike.

The 1991 Walpole High Baseball team finished one game shy of qualifying for the State Tournament with an 11-9 record. The team was captained by Matt Wassel, Mark DePasquale, and Tony Fernandes. Although many picked this year to be a rebuilding year for the team, the Rebels hung tough and finished over .500 for the 11th straight year.

Tough end to a successful season

The team was led by All-Stars Mark Wallrapp, Tommy Larson, and Tony Fernandes. Also Brian Crowell had an outstanding year as he caught every pitch of the year behind the plate. Juniors Jim Doherty, Dan Smith, and Steve Marshall added to the team. Seniors Joe Maiewski batted .500 during the season. The club and Coach Tompkins are very optimistic towards next year as seven starters return.



Mark DePasquale awaits the start of the game.

SOFTBALL

Lisa Vitiello anticipates the start of the game.

The girls' softball team's determination and hard work this season has paid off. Led by senior co-captains Jennifer Brown and Karen Cole, the Rebels clinched the Bay State League title at 17-1, with an overall record of 17-3, (the other losses coming from non-league games). The Rebels qualified for the State Tournament seeded 3rd in Division 2. After defeating Norwell in the preliminaries

Fight, Score, Win Rebels!

and Nauset in the quarterfinals, the girls advanced to the semifinals facing Holliston, which they defeated 5-1. The girls then advanced to the South Sectional Finals against Case. After claiming the South Sectional title in an exciting 2-1 victory, the Rebels advanced to the Eastern Massachusetts Final against Danvers. However, their luck did not continue. The Rebels lost 9-0. But for the first time in Walpole softball history the girls clinched the South Sectional Title.

A lot of the team's success is owed to the brilliant pitching of Karen Cole. She was voted Bay State League All-Star & Boston Globe Division 2 All-Star. Other All-Stars include centerfielder Kate Collins, leftfielder Clare Sullivan, and second base Lisa Vitiello.

FORWARD THROUGH THE LOOKING GLASS

In the year 2016 the class of 1991 has achieved more than any other class from Walpole High School. Below are some updates in the lives of a few of our most successful classmates from the class of 1991.

VALERIE ANDERSON, New York's most famous fashion buyer, is currently vacationing in Europe with her husband Rich and their two kids. Rumors from her hometown in Connecticut reveal a third child is on the way.

DAN ARMSTRONG, our current president, and his wife Julia Roberts have just announced the birth of their second child. Dan has six other children from a previous marriage to Kathy Ireland. Dan takes time out from running the country to enjoy hobbies like guitar and being like Mike Bailey.

CHRISTY ATWELL, an elementary school teacher now residing in North Carolina with her husband and two kids, is planning a vacation to Hawaii. Christy has been an active promoter of world peace.

After returning from a trip to the Bahamas, MIKE BAILEY resumed his employment as chief executive of a major company. Mike and his wife live comfortably in the Boston area with their four kids.

BRIAN BAIN capped off an excellent year as a professional golfer by beating Jack Nicklaus on the 1st hole of sudden death at the British Open. He and his family plan to celebrate in Europe.

COLLEEN BARRY and her husband Dan Cence have just announced the birth of their second set of triplets, Daniel Jr., Fifi, and Forbes. Colleen plans to take time off from her busy law practice to vacation in her $2 million condo in Florida with Dan, her new babies, and 5 year old triplets Allyson, Moon, and Love. Colleen tells us her one wish is to divorce Dan and marry her true love Keith Lambert.

TOM BECKER, world famous engineer, was recently jailed for leading a protest for nuclear disarmament in Paris. His family and many followers are all rallying behind him.

MARK BEVIVINO, team doctor for the Celtics, recently announced plans to marry his long time girlfriend. They plan to honeymoon in the Carribean and make home in New England.

JEN BRENNAN, an elementary school teacher, has just gotten back from a much needed cruise around the world. Jen and her family are now residing in Massachusetts.

One of the class' few remaining eligible bachelors, GREGG BROOKS, a leading New England arborist, is currently on a business trip to arborous areas of Canada where he plans to stay until Arbor Day.

RYAN BROOKS was just named Automechanic of the year by *Popular Mechanics*. He and his wife Greta and their two kids live in Cape Cod and plan to vacation in the Carribean.

JEN BROWN and her husband Rick recently celebrated the birth of their seventh child. She's taking time off from her busy schedule as a doctor to relax in her home in Dover.

After fulfilling her goal to walk on her hands, world famous artist LAUREN BUCKLAND has become engaged to a mysterious man. All we know is that he is an absolutely fabulous hunk. Her painting, which sold for $3 million, enables them to honeymoon on the moon.

MIKE BYRNES and his wife Mariah Carey returned early from his European tour in order to attend the Grammys. It is rumored that he will walk away with several.

MIRIAM CARROLL has been very busy since graduating from W.H.S. After spending two years with the Peace Corps in Africa, Miriam is now a prominent foreign diplomat in Europe. Rumor has it plans are in the making to move back home to the U.S. to Martha's Vineyard.

RACHEL CARVER'S claim to fame has been her successful career as a landscape designer. She has designed many homes in New England, including her own. Rachel is presently vacationing in Aruba with her husband and four children.

Tom Cruise shocked the Hoollywood world when he divorced his wife to marry his only true love LISA CASEY. Rumor has it they're expecting their first child sometime next spring.

After recently taking over the Playboy mansion, DAN CENCE and his 35 playboy girlfriends decided to buy a $10 million yacht and cruise the Carribean for five years. His net worth is assessed at upwards of $3 billion.

SAM DEFOREST, a big time architect, and his family have taken time off their busy schedules to vacation in Maine aboard Sam's motor yacht.

MARK DEPASQUALE, a shredded plumber that plumbs in speedos, recently opened his own gym in Walpole called "Pipes R Us". Mark and his fine Italian hardbody wife and four year old twins Julius and Kyle are going to take time off to vacation in Mexico.

JENNIFER (DUCAT) WOODING and her husband Mike have just returned from their honeymoon in Paris to their new home in Phoenix, Arizona. Jen plans to teach and raise a family.

NICOLE FARAH is living in style in her Beverly Hills home with her multi-million dollar husband, July's Playgirl centerfold. She's now traveling in Australia.

After representing the Red Sox in the all-star game for the twelfth time, TONY FERNNADES announced the opening of his ski resort in Colorado. With the money from his multi-million dollar contract Tony and his wife Stephanie Seymour plan to build a house next to the resort and raise a family.

CHARLES FERNEY, a rich entrepreneur, is presently traveling around the United States. Rumor has it plans of marriage are in the future with his long time girlfriend.

JANET FITZGERALD has just announced the birth of her third child. Janet and her family live in Colorado where she teaches. Plans for a trip to Australia are in the making.

Upon her return from California LAURIE FORREST revealed that a second child is on the way. Laurie plans to take maternity leave from the school in Arizona where she teaches.

DENISE FOSTER is currently teaching 1st grade at an elementary school in Wellesley. She is also the Girls' Soccer Coach at a nearby high school. Denise just became engaged to a certain hockey player and she's liking it.

DAN GAMACHE was just named Paperboy of the Year by the Boston Globe. Dan and his wife and thirteen kids are currently residing in a room above his parents' garage and plan to take a vacation to the Boston Globe Headquarters.

DAVE GIESECKE, owner of the Aspen Ski Company, has just opened his own resort where he will be the instructor. He and his wife Ashley Montana and their five children plan to vacation in the Carribean when the ski season is over.

HANNAH GILMORE, world renowned fashion designer, has just announced the completion of her spring line, which promises to be a hit not only in her hometown of Paris but worldwide. She and her mysterious French husband are planning to travel in New Zealand.

Full moon in the hazy sky-
Remember nights gone by.
Our teenage romance
Whenever we had the chance.

Well, we've grown since then
And times have changed.
Soon we'll be women and men
Asking, "Do you remember when . . ."

But the memories are in our hearts
To remain there forevermore.
And if one day you find me at your door-
It's because of the full moon in the hazy sky
And my memories of nights gone by.

— Gillian Proctor

To the Class of Nineteen Ninety-One,

At graduation the word associated with our class the most was "spirited". That is an appropriate adjective. Our class is spirited, or "rowdy" if you prefer. This can be funny, as the fourteen chickens in the second floor show. Sometimes we can even take it too far (gluing the school locks shut.) But the bottom line is that is how we come off as a group.

As yearbook editor I had the chance to look beneath first impressions and see our class as individuals. Every photo, every writeup, and every poem that appears in this yearbook tells a little about one individual in our class. I was amazed at the diversity of our interests, the accomplishments of members of this class and their teams, and the well roundedness of our class as a whole.

The yearbook staff, as a part of that whole, worked very hard. If the dedication and hard work of the staff is any indication of the qualities of our entire class, I am not hesitant to say our class will be very successful. Thank you staff, Mrs. Powers, and the class of '91. I would like to close with an old Yearbook saying, "Ugga bugga dun dun." meaning, "this is done, time to go on". Good luck Class of '91.

Your Yearbook Editor,

Lauren Buckland
